Guntersville First Methodist Church exists to “Win the Lost and Disciple the Found.” We believe God invites every person into a lifelong journey of growing in Christ. Through Connect Four, we seek to help every disciple take the next faithful step toward a closer walk with Jesus by embracing the timeless Wesleyan Means of Grace—the ordinary ways God shapes extraordinary lives.

As we Worship together, Grow in faith through Scripture, prayer, and Christian community, Serve others in our church, and Reach our neighbors and the world with His love, we open our hearts to God’s transforming grace.

Connect Four is more than a program. It is a pathway of discipleship—a rhythm of life through which God’s grace forms us into the people He created us to be. Together, we will continually take our next step, trusting that every step taken through the Means of Grace leads us into A Closer Walk With Thee.

Begin in the catalog section for your age group- Adult, Youth, or Kids- then pick one or more in each of the four paths: Worship, Grow, Serve, and Reach. Use the sign-up form on the back page to mark these and provide your name and contact information. Then place in a drop box at a Worship Service. May God lead you as you Connect Four in the Fall 2026 semester.

If you have questions or need assistance, I'd be happy to help. You may also contact Tiffany Thomson, Church Office Administrator, by email at Tiffany.Thomson@gvillefmc.net or by calling the church office at 256-582-2001. We look forward to walking alongside you as we grow together in Christ.

Blessings in Christ,
Pastor Chris Stallings

frequently asked questions

What does it mean a group or team is listed as Open or Closed?

“Open” means it’s a good place to jump in, even once the semester kicks off. For example, many Sunday School classes may be open. “Open at Start” means you can jump in at the beginning of the semester, but not in the middle. Classes that read and study a given book may be difficult to join in the middle after they are halfway through. And “Closed” means only those who are already part of the group or team will select these. Our accountability grow groups or church leadership committees are examples.

Is “Connect Four” replacing our mission statement?

No! Our mission to *Win the Lost, Disciple the Found* remains unchanged. ConnectFour is a campaign with a strategy to mobilize every member to actively participate in that mission.

Why do we need a campaign if we already have a clear mission?

Because knowledge doesn’t equal action. Many members know our mission but aren’t sure how THEY fit into it. Connect Four shows them exactly how their engagement fulfills our mission.

How does “Connect My Four” relate to making disciples?

The four paths of WORSHIP, GROW, SERVE, and REACH are a map to fully engage our mission in a balanced approach. You can’t make disciples if you’re not one yourself. The four paths ensure you’re being discipled (WORSHIP, GROW) while discipling others (SERVE, REACH). Both are essential to our mission.

Is this just adding more church programs?

No, this is about participation, not programs. We’re adding a few things—but mostly we’re clarifying and calling people to engage in what already exists in ways that fulfill our mission.

What if someone is only engaging on 1 or 2 paths?

That's exactly why we need all four! If you're only worshipping, you're not reaching the lost. If you're only reaching and serving, you're not being disciplined yourself. Balance is key.

How long will this campaign last?

The 5-week intensive campaign is for the month of August. Then you'll engage on your four paths for the upcoming semester from September '26 through January '27. Then you'll have a chance to connect in the same or new ways.

Can I choose multiple things on one path?

Yes, for example if you are in a Sunday School class and a Thursday Bible study, select both. It's also important for your faith journey to engage on each of the four paths of WORSHIP, GROW, SERVE, REACH. And for the mission of our church.

Do I have to fill out the paper form and the online one?

You may choose the method that works best for you. Online or paper.

I am involved with something that is not listed, how do I choose it?

Please connect with your current leader or Tiffany Thomson, at tiffany.thomson@gvillefmc.net or 256-582-2001 to identify any area missing from this catalog. We'll work to get you connected and update our system.

How soon will someone reach out to me about the serving piece I choose?

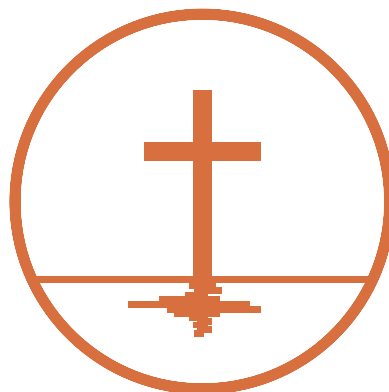

Leaders for the GROW, SERVE, and REACH paths will contact you within the week you submit your Connect My Four response. If you have not been contacted by then, contact Tiffany Thomson at tiffany.thomson@gvillefmc.net or 256-582-2001, and we'll get it figured out.

What if I don't see something that appeals to me?

Contact Tiffany Thomson at tiffany.thomson@gvillefmc.net to schedule a time to meet with one of our Pastors. They'll listen to better understand your circumstances and next best steps on your faith journey.
